Well, howdy there, picture-takers!

I'm Cameron - but you can call me Cam - and I'm delighted to welcome you to

The Macclesfield Photo Trail 25.

Grab your camera and take a stroll through our swell little town, snapping up the sights as you go. Follow our easy-peasy 1.5-mile trail through the neatest streets you ever did see, and don't be afraid to get a little snazzy with your shots - this is your time to shine!

Now, here's the real kicker - enter our big-time Photography Competition for a chance to bag some out-of-this-world prizes, including the one and only Camp Snap Digital Camera! So what are you waiting for, sport? Grab that camera, hit the pavement, and show the world what you've got!

Alright, listen up, folks! Here's how to toss your hat in the ring:

Snap one picture at each location and upload 'em using our nifty online form. Just scan that swell QR code below to submit your photos and fill out the entry form - gotta be done by a responsible grown-up (18 or over, of course).

We've got three age categories: Under 6, 7-11, and 12-16. But hold onto your hats - along with our three category champs, we'll also be crowning one grand champion for the best set of seven snaps by a single kid!

Deadline: Sunday 31st August, so don't dilly-dally - get snappin'!
